Body: Okay -- I have called Embassy Suites and made a reservation for one suite with two double beds in one room and a fold-out couch in the other room. The cost is \$129 and there is no additional cost for more than 2 people. Free breakfast. Located very near the start line.Susan Maloney (from the running club) reserved a second room of the same style. If Ronnie & Jon decide not to come, these two rooms may be sufficient. If the boys do join us, we will probably need to make another reservation.The phone number is (215) 561-1776.
