Subject: ATF Compliance

Body: Phil--I have reviewed the ATF file and I am in the process of drafting a letter, which I can run by you. I also would like to call O'Neal to review the 1986 Masen file but probably should hold off on the review since I do not have my clearance yet. Unless you feel differently, I was going to call O'Neal, introduce myself as the person responsible for coordinating with ATF , ask him to hold the file, and explain that I will be reviewing the file but am awaiting clearance. What do you think? --Ron P.S. Do you have O'Neal's number?
