Subject: Icons and my wife's work #
I've removed a variety of icons from my notes screen. If you need me to weed it down further, let me know. My wife's work phone # is 602/955-0050. She has two incoming lines (not including her modem and fax lines); the first one rolls over to the second and, if both lines are busy, you'll get a voice mail. To repeat info in an earlier e-mail, our home phone is 602/955-6633, and our address is: 3639 E. Stanford Drive Scottsdale, AZ 85253
