Subject: looking for a record from two or three meetings ago . . .
This FBI record concerns one or more KKK'ers contacting the House Un-American Activities Committee in 1965 about Oswald's allegedly participating in bombings and other violent KKK activities. As I recall, we coded this record "yellow" or "red" and slated it for individual review, and the Board members voted to accept the staff recommendation without collective discussion. Do you think you could lay your hands on our copy of this record? Thanks.
