**Subject:** FBI Assassination Records  
Phil--Is there any internal desriptive index of the FBI files that have been identified and collected under the JFK Act? Just by way of example, if I wanted to check to see if the FBI has turned over the Dallas office files that it has on Alpha 66, is there a way of confirming that? Also, is there any index to the staff reports, depositions, interviews, and other work of the HSCA staff. I would like to get what ever indices we might have so I can get a better understanding of what has been done to date .Thanks.--Ron
