Subject: Sunny Florida

Body: As I have been tasked with compiling the potential Florida projects list, it would of great use to me if everyone who knows of, can think of, or who is inclined to conjure up a project in Florida which needs doing to let me know about it. This list will be all-inclusive; I will not be endorsing everything on the list as necessary, just trying to gather up all our possibilites for presentation. So, please, if you have something that an ARRB rep could accomplish while on a hypothetical work junket to DisneyState, please let me know by e-mail or in person. Thank you.P.S. Mickey Mouse projects will not be included and are not considered appropriate.
