Subject: time sensitive request from Tom

In order to expedite the writing of our FY 1996 report, Tom has asked that I send to him on disk all information from you that will be included in the report. I will list what he HAS below. But he will need anything we have now that will be useful to include in the report. He would like me to send this TODAY by FedEx, tomorrow the latest. Tom has: Agency Reviews From Regarding Joan: a Sept. 3 memo to Tom about the USSS. Mary: an August 21 one page e-mail about the CIA, JFK library, and State Dept. Tim: a Sept. 10 memo (e-mail?) to David and Jeremy about DOD, Joint Staff, Secretary of Defense, Army, Air Force. Phil: a Sept. 6 e-mail with an attached page about Treasury, IRS, Customs, ATF, DOJ, INS (which stated that Jeremy would provide this information), FBI, DEA, Postal Service. What Tom Needs: *Any additional agency reviews that have been written *Jeremy--legislative recommendations (Tom said there is a draft of this in an undated memo) *Tracy--financial information (which you and Tom have already discussed) *Anything else that may not be listed above that should be included in the FY 1996 report. I am not sure exactly how this will all be placed on disk yet, but I may ask that you cut and paste some e-mails/memos THAT HE DOES NOT ALREADY HAVE into the g:\press\drive. Thanks a lot!
