Subject: in boxes by my desk
Eric I erased the email I originally sent to R&A, but you said you did not receive it, so I recreated it. Here it is:
The inboxes by my desk are for each analyst. When routine incoming correspondence comes in I will copy it for the appropriate analyst and distribute it to the in box near the file cabinets across from my desk. The boxes will be emptied and delivered twice per day. Additionally, if an analyst comes by and sees something in their box, they should feel free to take it. If you have any questions, let me know. Also, Eric can I please have the number for State Dept again. Thanks, Cathy
