Subject: the Drug Enforcement Administration

Body: Can we talk about DEA records soon?Description of the Call Date: 11/13/96Subject: DEA/HSCA
RecordsSummary of the Call:Kevin called to find out what was going on. I had been hesitant to call because of the unresolved issue of records of unknown relevance. I explained to him the current policy discussions and the fact that the outcome of these discussions may affect processing of DEA records. Kevin has just completed some large projects, and wants to finish processing assassination records as soon as possible.
