Subject: Post Office

I spoke with Betty Ball at the Postal Inspector Service and confirmed, to the best of her recollection, that there were documents at the Federal Records Center at Suitland that Tammi was not able to access. I asked if we could make a trip to Suitland some time next week, and she said yes, but that Thursday is her only open day. I told her that I would I get back to her.I left a message with Sheila Allen and she will not be back into the office until tomorrow.I also wanted to know if the oversight committees for the Post Office on the compliance letter are: 1. House Government Reform and Oversight Committee on Postal Service2. Senate Government Affairs Committee on Post Office and Civil Service
