Confirmation of files being held at NPRC & initial discussion re: a returnvisit to review informationDescription
of the Call _____ I spoke w/ Bill Siebert & he confirmed he is still holding files remaining from our
previous visit to NPRC. I told Bill I have several other files to review & would like to arrange another visit to his
site. A visit will not be a problem, but Bill has several research teamsvisiting at the same time w/in the next 3
weeks. He asked if we could hold off visiting until at least the 1st week in December, to which I said we could.
Siebert mentioned that it would be very helpful if the ARRB could decipher which files are at Winnebago
(CivilService Records Facility) & which should be in his area. I told him this is something wecan do & can
submit information w/in the next 2 weeks for the files we need. * I will meet w/ various members of our staff
to assess the volume of files which should be reviewed & what information is needed from each. Siebert's
telephone number is 314-538-4216
