Subject: Compliance letter for US Army Central Security Facility
Tim, I am attaching a draft of the compliance letter for the Central Security Facility. Please note that I have not filled in the appropriate Congressional oversight committees because at this writing Jeremy and Ron have yet to decide if the committees to be copied will be those who oversee ARRB or the actual agency we are asking for compliance. Also, I have not filled in the General Counsel on the draft until such time that you think I should call the Facility and ask them for that point of contact.
