Subject: "Oswald in Russia" Documents Generated by the U.S. Government--Intended for Transmission to Belarus Officials
I am forwarding to Michelle this afternoon my contributions to this effort, which consist of the following:51 copied documents (ONI, FBI, USMC, and DOS) ready now for transmission;35 photocopies reproduced from books--32 are W.C. exhibits, 2 are CIA, 1 is DOS. The weakest area in my collection is CIA--I'm sure that there are many more documents (i.e., 201 file) than the 2 cited above.I will leave it to Michelle and others to improve this product and move it closer to final completion. I think that it is fairly comprehensive, with the exception of my CIA "blind spot."
