**Subject:** request regarding Richard Case Nagell  
Dear Mr. Griffith:Your e-mail message regarding Mr. Nagell was forwarded to me.As you know, the Board did contact his family. The Board has also contacted the executrix. You may also be aware that a search of Mr. Nagell's belongings resulted in no records related to the assassination, as he reportedly possessed. The family and executrix have given us their pledge of continued cooperation if there are any developments in the future.For your information, the Review Board designated Mr. Nagell's Secret Service file an "assassination record" in June.I hope this information is helpful to you and that it has answered all of your questions.Sincerely,Eileen Sullivan
