Subject: FYI-- report of meeting with Mr. Hitchcock
David--As we were talking at lunch, I was reminded that Mr. Hitchcock's congressional friend, the guy he found out about us through, is none other than Congressman Dan Burton. Rep. Burton was just elected to replace William Clinger as the chair of our House committee. Mr. Hitchcock volunteered, through no instigation of mine, that if we could use the help or wish for it, he will be glad to talk to his friend Dan about us and the good work we do. Just something I thought you might wish to know in case the extension or budget issues come up.
