Subject: Draft letter to Aly
Tim,I have drawn up a draft letter to Aly for the seance we're trying to have on these MONGOOSE records. It is predicated on the assumption that we will be able to store the records at ARRB offices and that the session will take place here; I cannot confirm this yet, however, as Steve Tilley has not yet returned either of the voice mails I have left him on this subject (the latest was just at 10:00). Please return the draft with any and all corrections/suggestions. Thanks. C
