Specifically, we still have some decisions to make about records in the LBJ. Library. Also, the CIA has been to the Ford Library to clear the Rockefeller documents, but I don't think we ever discussed them or saw anything that might have been redacted. Neither of these would take much Board time, but we could begin to point to items that had really been completed. (By the way, I'm not discriminating against Henry. My computer would not let me add another name. I'll send him a separate note) Can we set Jan. as completion day? Anna
