Subject: Library of COngress
Eric it might be a good idea to see if we can get the following Marine Corps manuals from the Library of Congress. Basic Rifle Marksmanship with an M-1 Rifle from the 1950-1960 period (Probably might go back even further since the M-1 predates WWII, but there should be a Marine Corps version of this manual.), a manual just on the M-1 rifle which would include maintenance of the weapon, and Marine Corps Sniper manual from the above listed period.
