Subject: question

I think you are familiar with the stacks of documents (or are they just the final determination forms?) in Tom's old office. All I know is that they are arranged according to date, but some of them are not labeled. I want to get them out of there for the new Thom, and I have asked Christina to help. If you know what they are, could we meet briefly so I have a better idea of what I'm dealing with? Thank you!! P.S.-- I tried calling you to ask this, and there was no answer at your extension, and your voicemail did not pick up. It may not be working properly.
