Subject: Confirmation re: Richard "Smokey" Stover formerly of the Naval Photographic Center (NPC)

CALL REPORT Issue # 43Document's Author: Dave Montague/ARRB Date Created: 12.10.1996Who initiated the call? Review Board's representative in the call: Dave MontagueMedical; JFK Autopsy Project Subject: Confirmation re: Richard "Somkey" Stover formerly of the Naval Photographic Center (NPC)Description of the Call _____ I spoke w/ a Stover today who confirmed he was an employee of NPC during 1963. I explained the nature of the Review Board & Stover made the following statements:-he wasn't involved w/ any medical photography-he doesn't know if there was any medical photography work done at NPC-he mostly dealt w/ a lot of photos for Jackie Kennedy both before & after the assassination-Jackie wanted a lot of photo work done re: her flower arrangements & NPC had a man (he doesn't remember the name) who'd visit the White House everyday to shoot pictures of her new arrangements-he recalls being involved w/ a photo of JFK, Jackie & their 2 children for which he had to do a major duplication project-he now works for the Florida Department of Law Enforcement's Crime Lab doing photography work since his retirement from the NavyI asked Stover if he'd consent to an in-depth interview if called upon by other Review Board staff; he has no problem w/ that. I told Stover I'd send him a packet of explanatory information so he'll become more familiar w/ the Review Board. I verified Stover's information, asked him to thank his son for passing my message to him & thanked him for his time. Mr. Richard R.
