Subject: letter 25

Body: I am ready to run the macro for letter 25. It would consist of documents that the FBI has started to gather evidence on, but for which we haven't sent green sheets. This process has gone slowly because I want to avoid duplicating effort by sending sheets for documents already in the pipeline somewhere. I think I have weeded those things out. I will set a due date of between 3 and 4 weeks from today if that makes sense.
