Subject:	FBI appeals withdrawal, press release
Body: recstat: DeliveryPriority:	I talked with Tom Samoluk to get some insight regarding the time and distribution of the planned press release. Tom suggested we give a heads up to the news agencies which have demonstrated a clear interest in ARRB activities. They include AP, The Washington Post, Newsday and USA Today. He said a Sunday release date (now in doubt) would be better than late Friday or Saturday. But, since the FBI letter may not be available today, a Monday release, with the Board in session, would be fine. Tom also suggested that David sign off on the tone of the release, viz: Board Commends FBI, to insure conformity with previous ARRB releases. Record N
