Subject: Meeting with Joint Staff
Tim--In advance of our meeting with the Joint Staff, could you prepare for my benefit (and Jeremy's) a brief description of: the assassination records that Joint Staff has so far located; the files(including custodian and location) from which these records were obtained; any additional files that you think they need to search; and who we are meeting with from the Joint Staff. If you have any organizational charts for the Joint Staff, I would like to get a copy of them. This info will help me to get up to speed on the issues that relate to the Joint Staff.
