**Subject:** Davids Party on the 5th!!  
In a late Breaking date change this should read Jan 5th. Thats a Sunday!

Subject: Rescheduled Holiday Party  
It seems that my choice of a date for the party at my home (December 22) was less than ideal. My wife and I have a rule that when only 10% of the invited guests can come, we reschedule. So...how about January 4? (My apologies to those of you who indicated that you could come on the 22nd. )
