CALL REPORTDocument's Author: Jeremy Gunn/ARRB Date Created: 12/17/96 The Players Who initiated the call? Review Board's representative in the call: Jeremy GunnDepartment of the Air Force's representative in the call: Jessica SpencerDescription of the Call Date: 12/17/96Subject: ComplianceSummary of the Call:Jessica called to say that she first received the compliance letter "ten minutes ago" and that she was concerned about her inability to meet the December 18 deadline. It is her understanding that she will be the compliance official. I said that I would notify appropriate officials here and that we could be flexible on the dates. She also said that she will be on leave between December 24 and Jan. 3 -- and that other timing issues may present difficulties. I told her we could resolve these issues and that either Tim or Ron would be getting in touch with her. She seemed very interested in doing what she could to satisfy our needs. I suggest that we revise our compliance dates for the Air Force and get back in touch with her promptly.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
