Subject: Ragano Visit to D.C.

Frank Ragano confirmed that he can be available to meet with us in D.C. on January 22 and 23 (Wed. and Thurs). I will coordinate with Tracy on the travel arrangements. This is what I plan: Mr. Ragano, accompanied by his wife, fly up to DC Wed. morning. We meet with him informally and review his notes that morning. At 2 or 3pm, we commence a formal deposition, which will probably carry over to the next day (resuming at 10 am). The Raganos want to stay over Thursday night (they will pay for this night) and leave DC on Friday late afternoon/early evening. If you want to plan anything differently, please let me know.--Ron
