**Subject:** More FBI records with CIA postponements  
We've received copies of more such records and they are in the SCIF (this batch is much smaller than the previous one). I have taken a stab at dividing them into "hard" and "easy" categories, but I guess relevant names should be extracted, put on a list and sent to Barry to research. I will not be in the office Monday the 30th or Tuesday the 31st, but if Irene is in the office on Friday the 27th, I will show her where in the SCIF I have put these records.
