Subject: How are you?

We still miss you in the office. I hope you are doing well. Please remember to call if there is anything I can do to help on the job front. I assume Michelle is keeping you informed about our possible interviews in Arizona. If these can be arranged, I would like you to do them. Please give me a candid assessment on how comfortable you feel doing them by yourself. Although I have complete confidence in you, I don't know how comfortable you feel about your knowledge of CIA matters. Please let me know in a candid, but not self-effacing manner. We are going to be writing to Time-Life, requesting that they make some documents available to us. Based upon your own review of the McCombs files, what would you recommend that we ask regarding him and the purported Life investigation(s)?
