**Subject:** Ragano Deposition/Immunity

CALL REPORT: PUBLICDocument's Author: Ron Haron/ARRB Date Created: 01/08/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronPublic's representative in the call: Frank RaganoDescription of the Call Date: 01/08/97Subject: Ragano Deposition/ImmunitySummary of the Call:I called Ragano to inform him that we would be submitting the appropriate papers to the Department of Justice in order to confer upon him immunity for his testimony under oath. In view of the immunity issue, I suggested to Ragano that we would like to postpone his deposition until mid to late February. He was amenable to this. I also said that, in the event he comes up to Washington, D.C. prior to that time on other business, he should let me know so that we could meet with him informally for a few hours and look at his notes informally (this would be helpful advance preparation for the deposition). Ragano was amenable to this as well. Finally, I told him we would be sending him a subpoena as a formality. I told him that I would call him back to reschedule his depostion (probably after the immunity issue has been resolved).Don't forget to compose individual Action Item documents for any action items that resulted from the call!
