Subject:	INS Status
Body:	On Nov. 4, Veola Rouse wrote to David Marwell that INS expected to be completed with its work within three months. I believe that we should prepare a letter, for David's signature, referencing her letter and stating that we are very concerned by the fact that INS has still not processed the Marina and Lee files, although we had been told months ago that they would be completed. We are also very concerned by what appears to be the slow pace in processing other files. INS is now literally years behind schedule.Unless you have another idea based upon your recent discussions with Leahy, please prepare such a letter.
