**Subject:** Change in Pay Status  
David spoke with me Friday, and told me of his decision to provide an increase. Could you please answer some related questions that I have? -I would like to ensure that I receive my employee's copy of the SF 50B which directs the change in salary as soon as it is available: does ARRB prepare that, or does our personnel office at GSA? When might I receive my copy? -On which payday (which date--I do electronic deposit now), in your best professional judgment, should I expect to see the first increase? I realize this may be an estimate only, but I would appreciate your best estimate for planning purposes. THANK YOU. :)
