Body: CALL REPORTDocument's Author: Ron Haron/ARRB Date Created: 01/24/97 The Players Who initiated the call? Review Board's representative in the call: Ron HaronWhite House's representative in the call: Terry GoodDescription of the Call Date: 01/24/97Subject: White House Records From The 1960'sSummary of the Call:I am trying to resolve the following question regarding White House records: Are there in existence any records from the Kennedy and Johnson administrations that were sent to storage (particularly 1963-64 records) and that are not otherwise located at NARA or the LBJ/JFK Libraries, or otherwise taken as personal papers by the individual White House staff person? I discussed this issue with Steve Tilley and with Terry Good, the Director for Records Management at the White House (to whom Steve had referred me). They do not know whether there might be an additional category of such records. I will be following up with a letter to Terry Good, which you will see before it goes out. Don't forget to compose individual Action Item documents for any action items that resulted from the call!
