Subject: Phone Call from Jim Hosty
When Mr. Hosty called me last Friday and asked me several questions, which I promised to find out the answers to & call him back. You can help me to answer his question about the audiotapes. We promised we would send him copies of the audiotapes of his interviews. He is wondering when he will receive these. I told him that we may need to refer certain sections to the FBI before we can release the tapes to him. Do you have a sense of when we might be able to send these to him?
