Subject: Military team/Cuba slumber party
As we wait forever to get approval on the letters and processes we came up with in a timely manner, I was thinking that it might be good for the three of us to sit down and get a plan mapped out about how and when we are going to tackle the documents. Assuming that our target date for the declass session (April 21-25) is not moved back, we have 9 weeks to prepare about 5,000 documents for declassification. Also, if the work Chet did on that disc holds, then we should be able to edit those RIF's starting this week. Please let me know when would be a good time to meet. Thank you.
