**Subject:** more DOJ

**Body:** David found two more RIFs in his database for the DOJ Classified Subject File: 179-20001-10441 [which looks like a duplicate of 179-20001-10155] and 179-20002-10357. Would you please check (and retrieve) these documents at NARA so I can send the letter to the Secret Service? This is at David's request. Thanks!
