**Subject:** Agreement by Metro-Dade Police re: review of Roselli investigation file

**Body:** CALL REPORTIssue # 30Document's Author: Dave Montague/ARRB Date Created: 03/04/97Who initiated the call? Review Board's representative in the call: Dave MontagueJohnny Roselli Project; related to Organized CrimeSubject: Agreement by Metro-Dade Police re: review of Roselli investigation fileDescription of the Call I spoke w/Commander Buchholz today, reminded her of her helpful assistance in the past & requested access to the murder investigation file of Johnny Roselli. I explained the potentially short duration of the Review Board & our need to "get the records for which we are mandated". She acknowledged that it happened a long time ago, but she'll be happy to find it for us (in one of their various archival locations) & provide it for our review. Buchholz asked if I'd be willing to visit her office for such a review & if we were planning on visiting anyway. I told her we do possibly have other matters in that area, but we are very interested in seeing the file (as part of our efforts) WHEN she gets it. She asked me how soon I'd like to visit & I said certainly either by the end of the month or so; she has no problem w/that. I asked her if she'd like a written request & she said that would be even better, so she can justify the time/resources. Buchholz offered to provide any other assistance which we feel appropriate.Ms. Elizabeth C.
