callsDavid, You may remember that I wrote the Board on May 14, 1996, asking if itcould try to acquire
telephone billing records of calls to the UnitedStates from Cuba in November 1963. I indicated that there once
weresuch records, and that copies might still be maintained by AT&T, theBell Operating telephone companies,
the CIA, and the FBI. I would like to find out if information has been developed about thesetelephone records.
Anything the Board has obtained in connection withthis would be useful. If there is anything that I can do to
assist youon this, please let me know.Jim Johnstonjimjohn@erols.com
