FYI.To: Jeremy Gunn/ARRBcc: From: Tim Wray/ARRBDate: 03/05/97 01:37:18 PMSubject: Re: Lee Harvey Oswald/MACS-9I also had no prior knowledge. I discussed this episode with Joe, and cautioned him not to do this in the future. (I'm a little surprised that Dave went ahead with this, given prior cautions about involving team leaders.) This arose out of Joe's postal research into determining whether the Marines or Navy had any project to review mail received by LHO. I was aware that we had asked Dave to do a name search for a couple of people who seemed like they might have had some knowledge, but did not know in advance that this had progressed to the point of a telephone interview.
