Subject: Confirmation re: Frank Sloan & processing of Z-Film in 1963
CALL REPORT Issue # 68Document's Author: Dave Montague/ARRB Date Created: 03.07.1997Who initiated the call? Review Board's representative in the call: Dave MontagueZ-Film Issues ProjectSubject: Confirmation re: Frank Sloan & processing of Z-Film in 1963Description of the Call _____ I spoke w/ a Sloan today who confirmed he once worked for the Jamieson Film Company in 1963 & was involved in the processing of the original (out of camera) JFK assassination film made by Abraham Zapruder. After more discussion about the nature of the Review Board, Sloan (who was very cordial) asked questions concerning the film in the JFK Collection. I described the storage/security facilities of Archives II & general info re: the Collection (clothing, rifle, etc...). Sloan agreed to be part of a telephone interview to be held on 03.14.1997 at 10 a.m. (CST). I told him I'd send him some explanatory material (via FEDEX) so he'll be comfortable w/us & he thanked me. I also asked if he'd like me to call him on the 13th as a reminder & he said he's already placed it on his calendar. I verified his information & thanked him for his time. Mr. Frank R.
