Marwell)Date: 97-03-06 22:26:52 ESTDear David,I received comments from Gerhard Weimberg, Richard
Breitman, and Carole Fink about the work and nature of the CGCEH's archives committee. I am forwarding the
relevant correspondence to you here, so you can ponder the idea of joining the committee with a bit more
information. Since you are the best judge of the propriety of accepting or declining, I'll await your reply. Kees-----

committeeAt 09:43 PM 3/5/97 -0600, you wrote:>Dear Profs. Fink and Breitman,>>I am writing in my capacity
as the new executive secretary of the>Conference Group for Central European History. I understand that you
are>both on the conference group's archives committee. The third member, I>believe, is Professor Weinberg
at Chapel Hill. I do not have an email>address for him, so for now I am only writing to you. Perhaps you
will>recall that last fall when Bill Hagen was still president of the CGCEH,>there was some discussion of a new
fourth member of the archives committee.> The name that came up was that of David Marwell, the former
director of>the Berlin Document Center. Earlier tonight I spoke with David, to ask him>whether he had been
contacted about our request, and what, if anything, he>had decided to do. He told me that, yes, he had
spoken with Prof. Fink,>and yes, he was interested in serving. However, in his current capacity as>exec.
director of the assassination records review board he was not sure>that he could accept, because there might
be a conflict of interest, in as>much as he is dealing with the National Archives all the time. >>My question to
you is the following: If you have some kind of written>policy statement about the work and responsibilities of
the archives>committee, perhaps you could fax or email me a copy, or if there is no such>thing perhaps give
me an informal description, either of which I could pass>on to David to help him assess the situation and
decide whether he can>accept the position on our archives committee. Perhaps we could also>arrange it in
such a way that David recuse himself whenever there is an>issue involving the National Archives. You are so
much better informed>than I am about these matters that I hope you will be able to help me. The>basic point:
I think the CGCEH would be helped and honored to have David on>the archives committee, and I would like to
do everything I can to make>that possible.>>I look forward to hearing from you.>>Kees
