Subject: Long distance phone records re: Cuba from 1963...

Body: I spoke w/ supervisors of Bell Atlantic, AT&T & Southern Bell about any such records...I also spoke w/ the law enforcement records divisions of Bell Atlantic & Southern Bell, but could not get through to AT&T...They all maintain that they purge records after just a few years (7 was the highest # quoted) & could not refer me to any other office or provide any other area which would hold onto such records...I'm not sure if the State Dept would have this from that time through their diplomatic security area...
