**Subject:** Zapruder Film Witness: Robert Colley (or Robert Collie)  
To: Dave Montague/ARRBcc: Jeremy Gunn/ARRB, David Marwell/ARRB From: Douglas Horne/ARRB Date: 03/10/97 04:14:31 PMSubject: Zapruder Film Witness: Robert Colley (or Robert Collie)Dave, I just interviewed Frank R. Sloan, and he says he did not operate the 16 mm contact printer at Jamieson Film Co. when the Z film was copied. He thinks that an individual named Robert Colley, or Robert Collie, did.He says that Robert Colley worked at one time for "media services" at General Dynamics in Fort Worth...I don't know how recently.Consistent with your other priorities, please try to find Robert Colley (Collie). I suppose Fort Worth is as good a place to start as any.Our technical questions regarding the copying of the Zapruder film are not resolved, so he is potentially an important witness. Thanks.
