Subject: USSS

I just spoke with John Machado. He said he had told Steve Sergek that you would be sending him a letter soon regarding Secret Service review and deadlines. John said that Jane had told him that she would not pursue any appeals on the documents voted open by the Review Board at the January meeting. The Secret Service observes the 7 day deadline. If they do not act within seven days of notification, they are not going to appeal. John said he would bring his updated disk showing these documents as open to us and to Steve Tilley. I talked with John about several outstanding issues, and he said he was acting on each of them. He said it was hard for him to act unilaterally. I think if you send a letter to Sergek, it might speed things along. John says he has material to send, but he can not do it without the OK from Sergek. Sergek is not really focused on our requests. John speculated that Jane will be out for at least 2 or three months.
