Hey bud I hope you're doin' ok ova theya in Bahston! Miss ya around heaya! Heres another reason for Chinese over Pizza next Friday: its lent and some people don't want meat, like Manuel and me, maybe even others, although I realize we could get cheese or veggie pizza, but Chinese food seems to be more meat - free, naturally. Well, you now have my vote and my numerous reasons! Signed ---- opinionated Cathyif I send you another email requesting Chinese, will it count as two votes instead of one?
