Subject: HSCA record with CIA and Secret Service redactions.
CIA is processing records from the January '97 meeting and has questions about a document in which the Board sustained 1 CIA redaction and 3 Secret Service redactions. First, they ask if CIA or Secret Service should process the record. Second, they ask if Secret Service has any objections to the Board's actions? The document number is 180-10108-10017. When you have a chance let's talk about this.Thanks.
