**Subject:** Interview in Tucson  
I am meeting with Paul Garbler in Tucson at 11:00 AM on Friday, April 4th. Do you still want me to chat with your potential summer intern? I could do so sometime later that afternoon or evening... I'm planning to stay down in that part of Arizona for the night so I can attempt the marathon (Bisbee to Sierra Vista) the next morning (maybe your recruit is running also?).
