Subject: FBI

I talked to Carol this morning about your badge, the Hoover and Tolson records, and the compliance statement. She told me that you are cleared to go to get your picture taken for your badge. You don't need to coordinate with Carol for this -- just go to the escort desk & tell them that you need to have your picture taken for an "Official Visitor" badge. The FBI has available for your review all of the records responsive to our Request for Additional Information, FBI-36: Hoover and Tolson Records. When you go to the FBI, you should go see Joe lazetta (not sure about the spelling) -- he can show you where the records are. I asked Carol about the compliance statement. She said that she plans to get a draft to John Collingwood (head of FOI/PA section) and to OGC today. If you would like to go, I am meeting with Carol at 2:30 today and I can introduce you to Joe and show you the desk where we have been working.
