Tracy, I would like to claim reimbursement only for the following trips where I drove my own car:3 round trips to Ft. Meade (to NSA on 9/9/96 and 11/22/96, and to IRR on 2/28/97) Total 198 miles1 round trip to Carlisle Barracks, Pennsylvania (2/10/97) Total 238 miles1 round trip to Suitland, MD (to ONI on 3/11/97) Total 21 miles1 round trip to Wash Navy Yard (to NCIS, 3/4/97) Total 9 miles \_\_\_\_\_ Total 466 milesNote: I'm a little unsure about the distance to Ft. Meade. I have a slip of paper where I recorded the one-time roundtrip distance to Ft. Meade as 66 miles, but if anyone else has ever submitted a claim you might want to check this distance against what they reported to make sure it's accurate. 198 is total distance for three trips based on 66 mile round trip...
