**Subject:** things done and things planned  
Done--I briefed the Task Force on the March meeting Board votes. (Ideally this is done right after the Board meets, before the notice is issued because it adds another layer of quality control to the process, but we couldn't get together until Monday.)--I spoke with the Noblesville High group about the FBI and their investigation and set them up on their project which they finished way ahead of schedule.--I worked with Brian on the HSCA/FBI security classified documents. Brian is going to go through the FBI records in the six boxes to clear and deliver to Steve the documents that Debbie has stamped as ready to go.--Reviewed a few documents.Planned--Review Documents for next meeting--Get next evidence letter out.--Talk with Carl about classified documents
