Subject: Initial conversation w/John King of Metro-Dade PD & Roselli file

Johnny Roselli Project; related to Organized Crime King returned my call today & I explained the nature of the Review Board. He confirmed he has the Roselli homicide file & (after some discussion) offered to sit w/me & review the file. King also offered to track down any other leads in his jurisdiction & anything else we think may be useful. King said he has no problem w/our accessing the file given his understanding of our "broad" authority. I mentioned that Mary Alonxo (of the PD) is still looking for other records there (they both are physically in the same building), & I can review a few things while in Miami. King said that'd makes sense & offered the name "Jack Curtain" of their Criminal Intelligence Bureau as possibly a good source for other assassination-related records. King described Curtain as having an "amazing memory" & can be reached at 305.471.2780. * King asked me to fax my request to him & he'll handle it from that pointMetro-Dade Police Department9105 NW 25th StreetMiami, FL 33172john king fax 305.471.2311Don't forget to compose individual Action Item documents for any action items that resulted from the call!
